About CHEMAGILITY

Chemagility is a leading market intelligence consultancy focused on the global chemical distribution industry.

We combine consulting and research capabilities, market intelligence and industry understanding with a focus on providing insight and solutions related to our expert knowledge of the world's chemical distribution industry.

Chemagility continuously monitors chemical distributor companies, industry trends, M&A activity and produce a wide range of bespoke publications and client specific reports which provide in depth market analysis of the industry.

Our custom research services are backed by our Global chemical distribution databases including The World Chemical Distributor Directory - which provides comprehensive data on the activities of over 7,000 chemical distributors in Europe, America, Asia, the Middle East and Africa.

History

Chemagility was formed in 2005. The founding partners and directors have over 50 years of experience in the chemical distribution industry between them.

The company launched the World Chemical Distributor Directory over 10 years ago and is now the leading resource on the Web for information on chemical distributors.

World Chemical Distributor Directory

The World Chemical Distributor Directory provides comprehensive data on the activities of over 7,000 chemical distributors in Europe, America, Asia, the Middle East and Africa as well as news, analysis and information on the global chemical distribution industry.

The directory provides a wide range of features and benefits to our clients, advertisers and users.

FULL PROFILE (Directory Entry)

The directory provides a unique platform for chemical distributors to promote themselves to Principals, suppliers and customers.

PREMIUM ACCESS

Market intelligence subscription service providing data, information and analysis on the global chemical distribution industry.

CHEMICAL REPORTS

Chemical distribution reports produced by Chemagility and a range of closely related market reports from industry partners.

INDUSTRY NEWS

Breaking chemical distributor news, M&A updates and a regular industry newsletter sent out to subscribers.

ADVERTISING

The directory provides a range of advertising options to help advertisers increase their exposure to the chemical distribution industry.

TOP RANKED SITE ON GOOGLE

The World Chemical Distributor Directory is the top ranked site on Google for chemical distributor searches.
